

# PRO 540 OUTDOOR

THE RIGHT CHOICE  
FOR COLLECTIVITIES

The PRO 540 OUTDOOR is a very tough outdoor table tennis table that responds perfectly to the needs of institutions such as campsites, resorts, hotels, etc. Equipped with big wheels, you can easily move it across any type of ground. MATTOP anti-glare coating, large and steady legs supporting a steel frame structure, this ping pong table is the optimum roll-away table tennis table choice among the most resistant table tennis table.
